Fruit and vegetable exporters

Who we are

Pachano Fruits

We export

Fresh and frozen fruits
and vegetables

Around the Pacha

In Quechua
means world

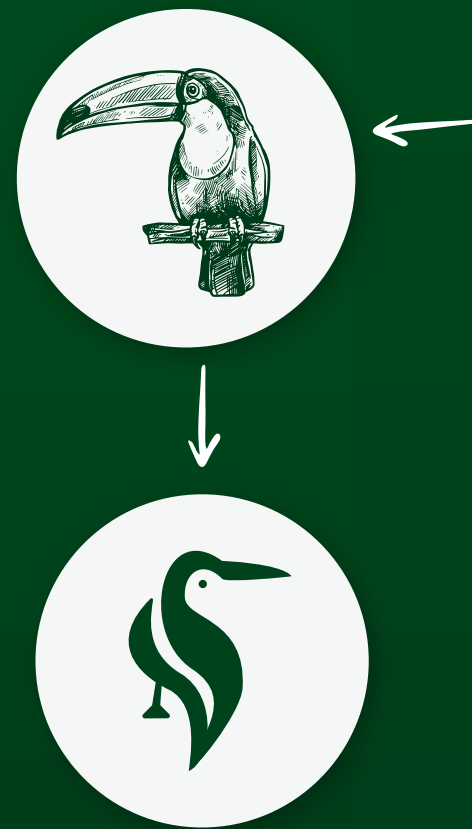

It is an Ecuadorian company that believes in dreams and values the effort of hundreds of farmers who work hard every day the land.

That effort is harvested in premium fruits and vegetables that are exported to various parts of the world.

Our fruits and vegetables grown in **Ecuador**

- Country located in South America
- Area: 283,561 km²
- It belongs to the 12 countries most mega diverse of the world.

Among its several recognitions for its natural heritage, Ecuador is known as the "**Country of Birds**"; species whose beauty, uniqueness and love for fruits, **inspired the creation of Pacha Fruits.**
